Subject: Request for Salary Review

Dear manager Sir – rohit singh

I hope you are doing well. I would like to take this opportunity to express my appreciation for the support and opportunities I have received while working at Soft Pro India

I am writing to formally request a review of my current salary. Over the past 1yea, I have Optimized critical code paths, improving system performance (e.g., reduced load time by 30%). I believe these efforts have contributed positively to Met or exceeded key performance indicators (KPIs) such as uptime, response time, or user adoption.

Given my contributions and the increasing scope of my responsibilities, I would appreciate your consideration of a salary adjustment that reflects my current role and performance.

I am happy to discuss this further at a time that is convenient for you. Thank you very much for your time and understanding.
